CHEAD Annual Conference 2024

Unlocked. Creativity and Culture
for Positive Change

Tuesday 19th - Thursday 21st March 2024

**ARTS
THREAD**

Unlocked.

Creativity and Culture for Positive Change

The CHEAD Annual Conference 2024

Unlocked. Creativity and Culture for Positive Change aims to share and build on diverse perspectives within art and design and art and design education, and will focus on how we can re-imagine and co-create our current and future curricula and research to enable creativity, creative communities, creative ecologies to flourish and to realise the capacity for agenda-setting policy, action, and impact through creativity via discursive themes.
